I can do little things here and there but I am OUT as Polly suggests...

I have included CDMs contact Keegan Roberts as well as John Bradley for potential coverage during the transition.

I can make this, but I fear that Paul has already started his new responsibilities...if it is worth it to both of you in Chicago, we can go ahead with the 1 pm central time, with or without Paul, and I can reach out to Paul or his former supervisor Dave Kline as needed...?

Subject: Allied OU1 call?

I understand Paul may be disappearing soon. Should we have a call this week to discuss all things OU1? Some possible topics include:

- status of performance of RD
- Panelyte
 - use of state money
 - need for cleanup beyond OU1 waste
 - Thursday landbank call with City

Maybe other topics also?

I'm in through Thursday and then out for a couple of days. As a starter, I propose 1:00 c.s.t. today.
